

CAcert Assurance Programme Identity Verification Form (CAP) form

CAcert Inc. 10 Airfield Avenue, Murwillumbah NSW 2484, New South Wales, (Commonwealth of) Australia

The CAcert Assurance Programme (CAP) aims to verify the identities of Internet users through face to face witnessing of government-issued photo identity documents. The Applicant asks the Assurer to verify to the CAcert Community that the Assurer has met and verified the Applicant's identity against original documents. Assurer may leave a copy of the details with the Applicant, and may complete and sign her final form after the meeting. If there are any doubts or concerns about the Applicant's identity, do not allocate points. You are encouraged to perform a mutual Assurance.

For more information about the CAcert Assurance Programme, including detailed guides for CAcert Assurers, please visit: <http://www.cacert.org>

A CAcert Arbitrator can require the Assurer to deliver the completed form in the event of a dispute. After 7 years this form should be securely disposed of to prevent identity misuse. E.g. shred or burn the form. The Assurer does not retain copies of ID at all.

For the CAcert Organisation Assurance Programme there is a separate special COAP form.
